Build Pierce Now

I have prepared remarks for Public Comment for the April 2 meeting at which 3 town groups will discuss the geothermal well portion of the Pierce School Project. **I am 100% in support of our moving forward without delay.**

Brookline PAX Endorsement

Our campaign was thrilled to be informed that Brookline PAX endorsed us. This organization helps mobilize Brookline residents by endorsing candidates who exemplify citizen engagement and will work to improve the community.

Campaign Kickoff

Over 75 people came together to celebrate the kickoff of our campaign! A lot of lawn signs were taken and more endorsements came in. The "vibe" was so positive and uplifting. Over the next several weeks, we will continue to get the word out to Brookline voters. **[Watch my presentation at the kickoff.](#)**

A FEW TAKEAWAYS FROM THE CAMPAIGN KICKOFF:

“Meeting stakeholders in our school and in our town to share our vision for education in Brookline is energizing.”

“I appreciate the willingness with which Brookline residents share their experiences with our school system with me.”

“I look forward to bringing to the School Committee the many, many conversations I’m having with elected leaders, voters, educators, parents, administrators, and community members.”

Tommy Vitolo Spring Social

We had the opportunity to give a summary of our campaign and its goals at this social gathering of over 150 elected officials, candidates, and residents. The video of my presentation is available on our [campaign website](#). (Image courtesy Liz Linder Photography)

Campaigning at the Bakery!

How wonderful that we have Cheryl Ann's bakery back in business at Putterham Circle after a two-year absence. Meeting potential voters outside after their purchase was great - they could immediately put the campaign literature in their bakery shopping bags!

Lawn Sign Planting Project

Demand for lawn signs has been "off the charts". As of publication time, nearly 100 signs have been planted across Brookline from north to south and east to west. Do you want one in front of your house? Click the link below to request one!

Super Tuesday at the Polls

We took the opportunity of primary polling day to hang out outside our Precinct polling station (14 - the Roland Hayes School), meet-and-greet voters, and hand out campaign literature. It was wonderful to engage with folks and to make more campaign contacts! I asked each person that got a campaign postcard to let FIVE of their friends know about our campaign - hoping for the power of multiplication!

PLEASE REMEMBER TO VOTE!

Please share this Newsletter and your interest in our campaign with FIVE of your friends and neighbors. Together, we can build even more momentum as we approach the election!
