Campaign Updates

The pace of the campaign continues to increase with nearly daily meet-and-greets or candidate forums. Yesterday, I had the pleasure of meeting with 23 riders from Biking for Brookline just before their 21-mile ride. You can read more about that meeting and a whole host of others on our [MEDIA](#) page.

"Dear Friend" Cards

We are now in full "Dear Friend" card mode. To receive a set of cards together with the stamps to send to your circle of friends, please click on the [GET INVOLVED](#) link and click the "Send **Dear Friend** Cards" option, tell us how many cards you need, and provide your address to us in the "Dear Friends Address" section so that we can drop off the cards at your home.

Would you rather email your friends about our campaign than via paper postcards? Our [website has a template](#) you can copy and paste into your favorite email program and then blast out to your friends.

Election Day Support

We are actively looking for supporters to be present at the polling stations during Election Day, meeting voters, and asking them to support our campaign. If you can help, please fill out the form on our [GET INVOLVED](#) page.

PLEASE REMEMBER TO VOTE!

Please share this Newsletter and your interest in our campaign with FIVE of your friends and neighbors. Together, we can build even more momentum as we approach the election!
